"We had our wedding and day two in Hotel Woodstock, this year. From start to finish to say we were cared for is an understatement. Nothing was too much or too little. Elaine, Seán, Oisín and staff went above and beyond for us! We were always told "Elaine's on the Case" if we would have any planning issues which were always solved, even though it had nothing to do with the hotel. ALL of our guests could not stop talking about the food for days/weeks after the wedding as it was that good. Hats off to the chef. Elaine is so easy to deal with and makes you feel part of the family. All staff are so friendly and helpful. Elaine ensures that you get the big day that YOU want and guides you through everything. I couldn't recommend Hotel Woodstock enough, you won't be disappointed. Elaine you're one in a million."
